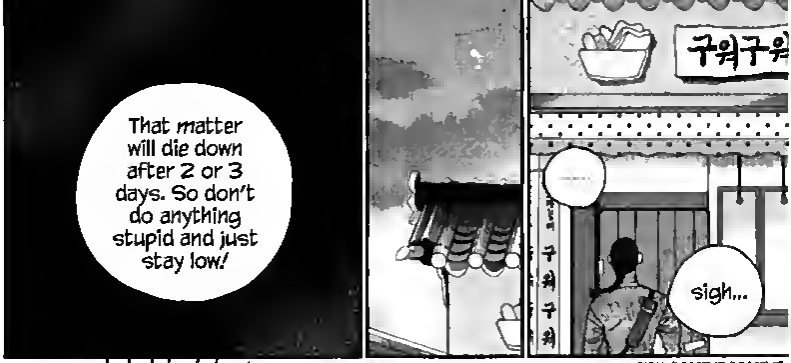
REGRET THEATRE

Heuk-Gun-Dang Hideout
Hm? Gyehwa? I thought you were on break for a while?
Hello~
What? Gyehwa's here?
Hehe! Hello, Hyungnim~
The thing is, I came here to ask you a favour
...Favour?

What? You want me to find out who's behind the children kidnapping incident?
Yes! Hyungnim, you must know about this incident already right? You are Heuk-Gun-Dan's best intelligence.
That's... well, where did you hear about it?
YOU'RE THE BEST, HYUNGNIM!
I should've come here earlier
Sigh... Just who are those people. How can those children ...
Anyway, I leave in your capable hands, I'll make it up to you bug next time, so..
No
...Excuse me?
I can't help you with that issue, so go back

This is not something you can do by yourself. Besides–
Nothing good will come for you to get involved in their business, so leave.
Their business?
HYUNGNIM, YOU ALREADY KNOW WHO'S BEHIND THIS INCIDENT RIGHT!?
I'M SAYING THIS FOR YOUR SAKE!
Don't ever bring that topic up.
Your life may be at risk.
And–

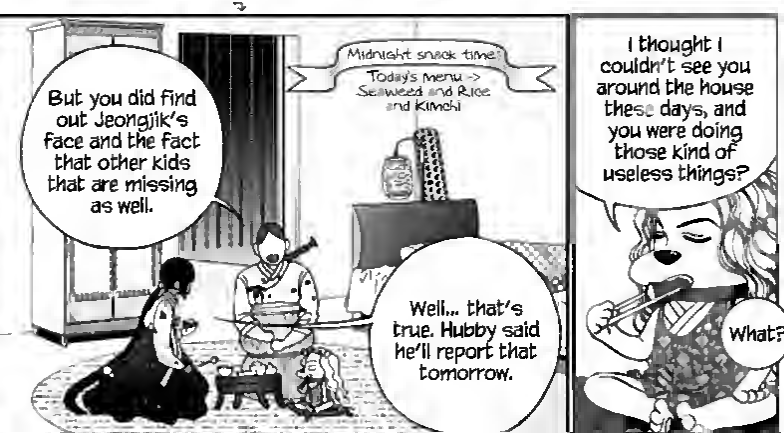


That matter will die down after 2 or 3 days. So don't do anything stupid and just stay low!
구워구워
sigh...

Hyungnim... He definitely knows something. But he was so intent on not telling me anything...

...Hyung-nim...
He already knows I joined Heuk-Gun-Dang to find my sister...
You there, that strength of yours looks useful, how about working for us?
Accord-ing to the rumours,
I hear you're looking for som_one'?
Now that I think about it, it's been quite a long time since then...

T/N KOREAN WORD USED FOR 'NO' IN THIS CASE SOUNDS LIKE 'RADISH' SO THE PUN



But you did find out Jeongjik's face and the fact that other kids that are missing as well.
Midnight snack time!
Today's menu -> Seaweed and Rice and Kimchi
Well... that's true. Hubby said he'll report that tomorrow.
I thought I couldn't see you around the house these days, and you were doing those kind of useless things?
What?

Useless things?
Ahem~! Boreum, to become a splendid Taoist...
Child, you should befriend the nature and without interfering with how the world works and live with the flow.
WHAT
HEARING YOU SAY THAT, IT REALLY DOES SOUND LIKE
DOG BARKING
shine

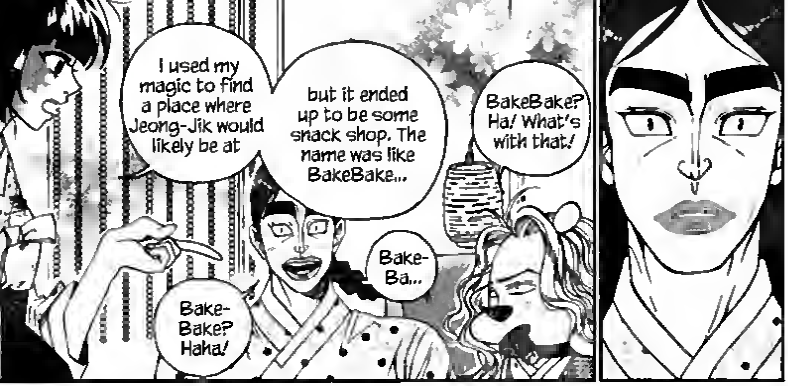
I looked cool right?
Professor 'Boreum Park' invents the one dimensional Taoism navigation!!!
Absent pending
Preparing for press conference
Boreumigation production presentation
Whatever you say, dad, I am fully satisfied that my Taoism was able to upgrade due to this incident
Tadahh~
Despite the fruitless result...
Fruitless?
Yeah...



I used my magic to find a place where Jeong-Jik would likely be at
but it ended up to be some snack shop. The name was like BakeBake...
BakeBake? Ha! What's with that!
Bake-Ba...
Bake-Bake? Haha!

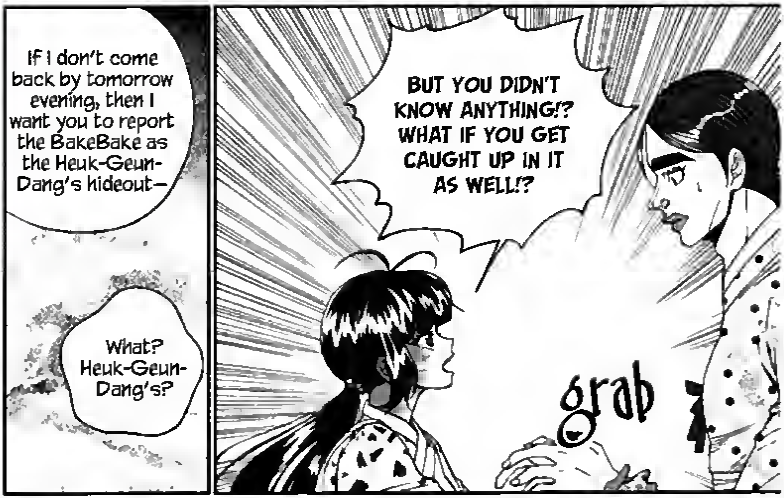
Wait... By BakeBake, do you mean the shop in the South West outskirts of the village?
sigh.
Oh, yeah. You know too?
I don't just know but...
...Huh?

No way...
That place is...
Heuk-Geun-Dang's hideout?
Whisper

Heuk... what?
But that was just an old snack shop...
It looks like that on the outside but... there's actually a secret passage into the hideout.
...What...?
Then... if my magic didn't fail... does that mean it could be Heuk-Geun-Dang... that have been kidnapping those children...?
I thought you said they were just an information organisation
Oh, right! You went there today. Didn't you notice anything strange?
silence
...
SFX = GRAB
SFX = GULP
...There was... huh...

...Ah... Just what is going on...
plop down
I think...
I should go back to the hideout again.
WHAT? NOW?
I'm sure there's a misunderstanding. Heuk-Geun-Dang can't be...
I don't think I'll be able to sleep until I confirm the facts with my own eyes.
Alright_ If you think that'll help you feel better, you should go on_
But... wouldn't it be dangerous...?
Because you found out about the secret?
Ah...

Don't ever bring that topic up.
Your life may be at risk.
Then let's do it like this.
Hm?



If I don't come back by tomorrow evening, then I want you to report the BakeBake as the Heuk-Geun-Dang's hideout—
What? Heuk-Geun-Dang's?
BUT YOU DIDN'T KNOW ANYTHING!? WHAT IF YOU GET CAUGHT UP IN IT AS WELL!?
grab

If...Heuk-Geun-Dang really is the culprit of the kidnapping of the children, I believe they should pay the price.
So I'm fine...
Besides, it hasn't been confirmed that Heuk-Geun-Dang is the culprit, so don't worry too much my lady!

Then, I'll be back--!

My my... aren't you clumsy..

Well, go on and get it
pour
clack
Yes, I'm going.

gulp
swish
If Heuk-Geum-Dang did really kidnap all those children, where would they keep them?

I think I looked at all the places I suspected... unless, there's a place within the hideout that I don't know?
Ah, right... perhaps...
DO NOT ENTER
If this place...
is not where confidential documents are stored, but a passage to somewhere else...
CLANG
Open

Eh? Is it really just a document storage area...?

Perhaps I thought too deeply...

The atmosphere down here is ominous...
The fact that there is this place within Heuk-Geun-Dang's hideout, does that mean...

A kid's voice...?!
Huh...?
What...
duck
...Oh my gosh...

Wait a moment. I'll let you out now...
SMACK
This is why,
I told you to stay low without doing anything stupid.

Go and lock her up.

바람

Something must have gone wrong...
I should've gone with her yesterday...
I'll go with you!
That's okay! It's more comfortable to move alone.
And I'm saying this just in case, but my lady, please don't dream about infiltrating the Heuk-Geun-Dang's hideout alone!
The people of Heuk-Geun-Dang are nothing like the weak underlings of Jeok-Ryeong-Dan
So if I don't come back, you must report to the government
Gyehwa said that... but if I do that, she will get involved in it too...

Hey!
I'm back from reporting the missing children
Hubby...
We've done what we can now.
Father was very surprised. He told me he'll look into it immediately so they'll be able to find the children soon.

Okay...

Ah, when I went to the Provincial Office today.

I saw that Kyeongup in the library again. Gosh... that stubbornness.
Is that guy seriously going to look through every single book in there?
!!
That's right, Kyeongup! It might be dangerous for me to go alone but if I explain and ask him to go with me...
Amazing!
HUBBY!!
WHERE DID YOU SAY KYEONGUP IS RIGHT NOW?
turn
Huh? In the Provincial Office Library...
GOT IT! LET'S GO!
GRAB
What? Where?

Hey! What are you doing all of a sudden! Huh?
GYEHWA MIGHT BE IN TROUBLE IF WE'RE LATE! WE HAVE TO SAVE HER QUICKLY!
Gyehwa, wait just a moment!!
We're going now!
